47 Changes to Village Facilities

- 47.1 We are entitled periodically to provide additional buildings, areas or amenities as part of the Community Facilities, or to remove buildings, areas or amenities from the Community Facilities permanently or temporarily.
- 47.2 Our ongoing costs and expenses of providing and maintaining the Community Facilities fall within the Village Outgoings and are met by residents. We must reply to all non-urgent maintenance requests within five working days and give you an expected timeframe for the maintenance to be done. We will tell you in writing, the name and contact details of a person to contact about minor repairs and maintenance requests.

48 Maintenance of Interior of Residential Unit

- 48.1 You will replace at your cost all mirrors, lightshades, light bulbs, power elements, automatic garage door openers and plumbing and electrical fittings in the Residential Unit as and when they wear out or are broken or become unserviceable. The replacement items must be of at least the same quality and power as those installed at the Commencement Date.

- 48.2 You will give us prompt notice of any defect in or want of repair of the Residential Unit or the Operator's Chattels of which you are aware.
- 48.3 We will make all necessary arrangements for any repairs, maintenance or replacement
- (a) that you notify us of in accordance with clause 48.2;
 - (b) that we think are necessary or desirable after inspecting the Residential Unit whether or not you have notified us of them in accordance with clause 48.2,
- to be carried out as soon as reasonably practicable.
- 48.4 We will consult you about any repairs, maintenance or replacement required.
- 48.5 We will invoice you for the costs of such repairs, maintenance or replacement at the end of each month and you must pay us no later than the 20th of the month following date of invoice. (Where the Residential Unit is new, we will ensure that the benefit of any warranties is taken into account.) We will also invoice you for the costs of such repairs, maintenance or replacement for the Operator's Chattels where the need for such work has arisen from your deliberate or negligent actions.
- 48.6 We will not be liable for any loss or inconvenience suffered by you arising from any defect or want of repair to the Residential Unit or the Operator's Chattels unless you have advised us in writing of any such defect or want of repair and we have failed within a reasonable time to take reasonable steps to repair and make good the defect or want of repair.

49 Operator's Right to Enter Residential Unit

- 49.1 You agree to permit us at all reasonable times to enter the Residential Unit for the purpose of inspecting the Residential Unit, giving care and assistance to you and carrying out any necessary or (in our opinion) desirable repairs or alterations. In doing so we will cause as little disturbance as possible to you.
- 49.2 Wherever practicable we will give you 24 hours' prior written notice of our intention to enter the Residential Unit in accordance with clause 49.1.
- 49.3 In cases of emergencies, the requirement of prior written notice may be waived.

50 Damage to Residential Unit or Village

- 50.1 If the Residential Unit is damaged or destroyed by fire, earthquake, storm, enemy action, inevitable accident or other risk against which we are insured, then we will repair or replace the Residential Unit as soon as practicable. In some circumstances we may require you to meet any insurance excess applicable to the repair or reinstatement.
- 50.2 We will repair or replace the Residential Unit to a design and standard we consider equal to or similar to the standard of the Residential Unit prior to its damage or destruction.
- 50.3 If the Residential Unit is uninhabitable we will endeavour to provide you with alternative accommodation within the Village (and continued use of the Facilities in the Village) as follows:
- (a) We will provide alternative accommodation to you as soon as it becomes available and for a period of time until the damaged Residential Unit has been repaired or replaced and is ready for you to move back in.
 - (b) The cost of any alternative accommodation will be no greater cost than what you are then currently paying.
 - (c) If there is a delay in the availability of alternative accommodation, your obligations to pay the Village Outgoings Payment, and the calculation of the Village Contribution will temporarily cease during the period from when the Residential Unit is damaged or destroyed until the commencement of your occupation in alternative accommodation provided by us.

- 50.4 If the Residential Unit is damaged or destroyed or a substantial part of the Village is damaged or destroyed, even if the Residential Unit is not damaged, we will undertake a preliminary investigation to establish whether it is practicable to repair or replace that part of the Village or Residential Unit as soon as reasonably possible.
- 50.5 We will, during our investigation, consult with and obtain reports including (without limitation) any engineering, architectural, geotechnical, quantity surveying, insurance, resource management, legal and financial reports that we consider reasonably necessary in the circumstances.
- 50.6 We will, within 20 working days of receiving such reports consult with you to decide whether it is practicable for us to undertake repair and or replacement of the Residential Unit or Village.
- 50.7 Within 40 working days of our consultation with you we will follow up with you in writing of our decision on whether we will or will not repair or replace of the damage to the Residential Unit or Village.
- 50.8 We may not be able to repair or replace the Residential Unit or Village for the following reasons:
- (a) such repair may be impracticable; or
 - (b) the consent of any necessary authority to such repair is likely to be refused.
- 50.9 If we decide not to repair or replace the Residential Unit or Village then this Agreement is terminated in accordance with clause 60 of this Agreement. We may in our sole discretion offer to transfer you to another unit within the Village whether pre-existing or yet to be built.

Transfer following damage or destruction

- 50.10 If following damage or destruction of the Residential Unit we elect to offer you the option to transfer to another unit, the following will apply:
- (a) It will be in our sole discretion to offer you the option to transfer. Before deciding whether to make a Transfer Offer to you we will consider (without limitation or obligation) whether or not there is a suitable residential unit available, whether or not suitable care is available (as may be required), whether or not you are assessed as suitable for the available care and whether or not we are disadvantaged in any way by the move.
 - (b) The Transfer Offer will:
 - (i) Be included in our written decision as to whether or not to repair or replace the Residential Unit or Village.
 - (ii) Be in respect of another unit ("the Replacement Unit") either pre-existing or yet to be constructed in the Village or in another village that we own in reasonable proximity to the Village.
 - (iii) Specify any costs that you will be required to pay for the transfer to the Replacement Unit.
 - (iv) Specify the details of the Replacement Unit including location, description and (in the case of a unit yet to be constructed) plans and specifications of the Replacement Unit.
 - (v) Specify the expected timing of the availability of the Replacement Unit (if known).
 - (vi) Specify the time frame within which you can in writing accept the Transfer Offer. If you do not accept the Transfer Offer in writing within that time frame (or any extension of it that we grant) then you will be deemed to have rejected the Transfer Offer.

- (c) In considering whether to make a Transfer Offer we are not obliged to give you priority ahead of any other resident.
- (d) You have the right to be provided with information regarding all available options, the right to be independently assessed (including a needs assessment) and the right to be consulted along with your family or representative. A needs assessment may be required in order to access subsidies administered by Government agencies such as the Ministry of Health, and Work and Income New Zealand.
- (e) If you accept the Transfer Offer, then the following will apply:
 - (i) We may ask you to enter into a variation of this Agreement or where appropriate, enter into a new agreement with us in respect of the Replacement Unit.
 - (ii) If the Replacement Unit attracts a different level of Village Outgoings Charge, then those different charges will apply to you.
 - (iii) We will assist you with your physical transfer and the transfer of your personal belongings. We reserve the right to make a reasonable charge to you for the administrative and other costs relating to your transfer between residential units.
 - (iv) We may offer you alternative accommodation under clause 50 until the Replacement Unit becomes available for your accommodation.

50.11 If you do not accept or are deemed to have rejected the Transfer Offer, then this Agreement will be treated as if it had been terminated by you in accordance with clause 60.7.

51 Deed of Supervision

51.1 The Operator and the Resident each agree to be bound by the terms of the Deed of Supervision.

51.2 In terms of the Deed of Supervision, the Statutory Supervisor will be entitled to be indemnified by us and by you and all the other residents for the time being in the Village in respect of all expenses and liabilities reasonably incurred by the Statutory Supervisor, and against all claims the Statutory Supervisor may suffer in respect of any matter relating to their appointment and duties under the Deed of Supervision (other than a claim arising out of gross negligence, bad faith or wilful misconduct by the Statutory Supervisor).

51.3 In accordance with the Contract and Commercial Law Act 2017, the provisions of this clause are intended to be enforceable by the Statutory Supervisor as a person beneficially entitled.

52 Dispose of/subcontract our rights

52.1 We are entitled to market, sell, assign or dispose of our interest under this Agreement.

52.2 With effect from the date of sale, assignment, or disposal, all our rights and obligations under this Agreement will pass to the replacement operator, and we will have no further rights and no further obligations to you under this Agreement. You agree to continue to observe and perform all your obligations under the Agreement for the benefit of the replacement operator.

52.3 You agree to sign a deed of novation of this Agreement in favour of the new operator of the Village and such deed will be in the form provided by us. You irrevocably authorise the Statutory Supervisor to execute such deed on your behalf.

52.4 We are entitled at any time without restriction to subcontract our operation rights to another suitably qualified operator. No such subcontracting will change the basic relationship between us and you, and we will continue to be obliged to perform and observe the terms of this Agreement. If we do subcontract our rights for any period under this Agreement, then the subcontracted operator will be our representative for all purposes under this Agreement, and you will comply with all instructions, notices, directions, and decisions of the subcontracted operator as if we had issued them directly.

53 Dispute Resolution (Except a dispute regarding disposal of Residential Unit)

53.1 Notwithstanding any other provision in this Agreement, any complaint or dispute (except a dispute regarding the disposal of your Residential Unit) shall be dealt with in accordance with this clause 53.

Your concern or issue

53.2 We must have a written procedure so that you may contact us or our designated contact person informally about a concern or issue.

53.3 If you have a concern or issue you must refer the concern or issue to our designated contact person. You do this by raising your concern or issue to the person we employ as manager of the Village.

53.4 After you raised the concern or issue to our designated contact person or if you are not satisfied with the outcome, you may require the matter to be resolved by making a formal complaint in writing.

Your formal complaint

53.5 We must operate a complaints facility and a complaints procedure in accordance with the Retirement Villages Act for dealing with formal complaints by residents, and we must provide you with a written copy of that procedure.

53.6 If you have a formal complaint, you must refer the complaint to the person we employ as manager of the Village.

53.7 If the complaint is not resolved 20 Working Days after you made the complaint, we must refer the complaint to the Statutory Supervisor and ask the Statutory Supervisor to provide an impartial perspective and to recommend a way forward.

53.8 If the complaint is not resolved 20 Working Days after it has been referred to the Statutory Supervisor, we must offer you the option of resolving the complaint through independent mediation.

53.9 If you do not agree to independent mediation or if the complaint is not resolved following mediation, 20 Working Days after the referral to a mediator or other third party, you may require the matter to be resolved by a disputes panel by giving us and/or any other party a dispute notice.

53.10 You have right to give a dispute notice at any stage of the complaints process 20 Working days after and within six months of filing a formal complaint.

53.11 We must report to the Retirement Commissioner six-monthly in relation to formal complaints received by the Village.

Our complaint

53.12 If we have a complaint concerning you, we must first notify you of that complaint. We must then make reasonable efforts to resolve our complaint with you.

53.13 If the complaint is not resolved 20 Working Days after we notified you of the complaint, we may require the matter to be resolved by a disputes panel by giving you and any other party a dispute notice.

Disputes panel

53.14 After receipt of a dispute notice by you or us, we must appoint a disputes panel (from the list of people who the Retirement Commissioner has approved for appointment as a member of a disputes panel).

53.15 The hearing and disposal of any dispute referred to a disputes panel will be conducted in accordance with the Retirement Villages Act and the Regulations made pursuant to that Act.

54 Dispute Resolution for Dispute Regarding Disposal of Residential Unit

- 54.1 Notwithstanding any other provision in this Agreement, a dispute regarding the disposal of your Residential Unit shall be dealt with in accordance with this clause 53.
- 54.2 You may give us a dispute notice regarding the resolution of a dispute concerning any alleged breach by us of this Agreement or the Code of Practice in disposing of the Residential Unit.
- 54.3 In resolving such dispute, the provisions of clause 53 apply except that you cannot give disputes notice until 9 months after the Residential Unit became available to us for disposal.

55 Your Default

- 55.1 If you default at any time in the observance or performance of your obligations under this Agreement we may, without prejudice to any of our rights, powers or remedies, at your cost, pay money and do things in our opinion reasonably necessary for the performance of your obligations.
- (a) We will consult you before paying such money or doing such things.
- (b) You will immediately pay us all money we paid and the costs of us doing such things. Until we receive such payment, the money we paid and costs we incurred shall be treated as an advance by us and you will pay interest on that advance at the Default Interest Rate.
- 55.2 Alternatively, upon such default, we may terminate this Agreement in accordance with clauses 60.1(b) and 60.2.

56 General Provision

No waiver

- 56.1 Any failure by us to insist upon your strict performance, observance or compliance with any of your obligations under this Agreement, or our waiver of your breach of any terms of this Agreement shall not be construed to be a waiver or relinquishment by us of our right to insist upon your strict compliance with all or any one or more of the terms of this Agreement.

Notices

- 56.2 All notices may be given by delivering such notice either personally or by leaving it at, or sending it to, the person's last known or usual place of residence or business.
- 56.3 If a notice addressed to a person at the person's last known or usual place of residence or business is posted, it is deemed, in the absence of evidence to the contrary, to have been received at the time when it would in the ordinary course of post be delivered.

Our consent

- 56.4 If, under this Agreement, the doing or execution of any act, matter or thing by you requires our consent or approval, such consent or approval may be given conditionally or unconditionally or withheld by us in our sole discretion.

Property Law Act

- 56.5 To the extent permitted by law, the covenants implied in licences by the Property Law Act 2007 are expressly negated, and in the event of there being any conflict between the provisions of this Agreement and your interest in the Residential Unit then the provisions of this Agreement shall be paramount.

Majority resolutions

- 56.6 Except where by law the consent of a specified proportion of Residents is required, the decision of a majority of the Residents in the Village on a matter, will bind all Residents.

Courtesy, respect

- 56.7 We, and the people who work or provide services at the Village, must treat you with courtesy, and must respect your rights as a Resident and not exploit you.
- 56.8 In return, you will respect our rights and treat us with courtesy, and likewise respect the rights of those who work or provide services at the Village and treat them with courtesy.

Non-merger

- 56.9 Our and your obligations set out in this Occupation Right Agreement will continue until the later of when each obligation is met or when we pay you the Exit Payment.

TRANSFER

57 Terms and Conditions of Transfer

- 57.1 The terms and conditions that will apply to your transfer to another residential unit within the Village where the damage/destruction provisions of clause 50.10 do not apply are as follows in clauses 58 and 59.

58 We Will Endeavour to Effect Transfer

- 58.1 If you wish to transfer to another residential unit within the Village, you must make that request by giving us written notice. You can withdraw that notice within fifteen Working Days of the notice date, if at the time of withdrawal, we have not issued an application form for the purchase of the occupation right for the Residential Unit with another person.
- 58.2 Where possible, we will endeavour to accommodate your request, but any such move will depend upon (inter alia):
- (a) a suitable residential unit being available;
 - (b) suitable care being available (as may be required);
 - (c) you being assessed as suitable for the available care;
 - (d) our not being disadvantaged in any way by the move.
- 58.3 You have the right to be provided with information regarding all available options, the right to be independently assessed (including a needs assessment) and the right to be consulted along with your family or representative. A needs assessment may be required in order to access subsidies administered by Government agencies such as the Ministry of Health, and Work & Income New Zealand.
- 58.4 We will give priority to your request to move, over an application by an intending resident (as defined in the Retirement Villages Act).
- 58.5 If the transfer is to a unit that attracts a higher level of entry payment, then we will ask you to pay the difference. If the entry payment is lower than that your current Unit we will refund the difference when that Unit is relicensed.
- 58.6 If the transfer is to a residential unit that attracts a different level of Village Outgoings Payment, then those different charges will apply to you.
- 58.7 We will assist you with your physical transfer and the transfer of your personal belongings, and we reserve the right to recover from you any cost incurred in so doing.

59 Transfer amounts to termination

- 59.1 If you transfer to another residential unit within the Village, this Agreement will terminate, and

you will enter into a new agreement with us in respect of the other residential unit.

59.2 We reserve the right to make a reasonable charge to you, for the administrative and other costs relating to your transfer between residential units.

TERMINATION

60 Termination Event

Termination by Us

60.1 We may terminate this Agreement if:

- (a) Your physical or mental health is such that, based on a medical assessment by an independent medical practitioner, you or another Resident cannot safely live in the Residential Unit. The medical practitioner may in the first instance be your own doctor, or otherwise may be another doctor appointed by us, but independent of us. The assessment by the medical practitioner must take into account, the care, support and facilities offered in the Village and such support services (if any) that we may agree could be brought in from outside the Village. In such event we will consult you, your family or appointed representative where appropriate. If the doctor is one appointed by us, you may obtain a second opinion from another medical practitioner at your own expense and present it to us. We reserve the right to obtain a second opinion at our own expense. In the event that there are two of you, and this applies to only one of you, we will not terminate the Agreement for this reason; or
- (b) You have defaulted in a material way, in observing or performing any of your obligations under this Agreement and you have failed to rectify the default within a reasonable time (but no less than one month) after receiving written notice from us that we intend to terminate the Agreement unless such default or defaults are remedied; or
- (c) You have either intentionally or recklessly caused or permitted, or you are highly likely to cause or permit:
 - (i) serious damage to the Residential Unit or Facilities;
 - (ii) damage which has become serious because of its continuous nature; or
 - (iii) serious injury, harm or distress to us or to another resident or any of our employees or visitors or any other Resident's visitors.

and you have failed to cease such behaviour and/or remedy the damage or harm or distress caused by it, within a reasonable time after receiving written notice from us that we intend to terminate the Agreement unless such conduct ceases and/or such remedy is made; or

- (d) We have made reasonable enquiries and determined that you have permanently abandoned the Residential Unit. We must notify you of our intention to terminate this Agreement unless you re-occupy the Unit, and we must first give you by written notice, one month in which to re-occupy.

Any written notice we give you under this clause 60.1, must comply with the requirements of the Code of Practice.

60.2 Should we decide to terminate this Agreement on any of the grounds mentioned in sub-clauses (a), (b) and (d) above, then we shall give you not less than one month's further notice in writing (the "Notice of Termination") that we are terminating the Agreement. Should we decide to terminate this Agreement on the grounds mentioned in sub-clause (c) above, then our Notice of Termination will give you as much notice in writing as is reasonable in the circumstances that we are terminating the Agreement.

60.3 The Notice of Termination we give you under clause 60.2 must comply with the requirements of the Code of Practice. You have the right to make a complaint regarding our termination of this Agreement; however, we may, after consultation with the Statutory Supervisor, decide that

it is in the best interests of the Village as a community, to continue without proposed action while your complaint is being dealt with.

60.4 The Termination Date will be the first Working Day after the applicable notice period or the date on which you stop living in the Unit and remove all your possessions, whichever is the later.

60.5 If we terminate this Agreement under clause 60.1, then we must pay you your Exit Payment within five Working Days of the Termination Date.

Termination by You

60.6 You can terminate this Agreement, at your option, at any time.

60.7 You are deemed to have terminated this Agreement if you do not accept our offer to transfer you to another unit following damage or destruction to the Residential Unit in accordance with clause 50 49 and for the avoidance of doubt the payment provisions in clause 47(2)(e) of the Code of Practice shall not apply.

60.8 Should you wish to terminate this Agreement then you must give us one month's notice in writing that you intend to terminate the Agreement. If there are two of you in joint occupation, then the notice must be signed by both of you. You can withdraw that notice within fifteen Working Days of the notice date, if at the time of withdrawal, we have not issued an application form for the purchase of the occupation right for the Residential Unit with another person.

Termination Date

60.9 The termination date (**Termination Date**) will be the earlier of:

- (a) the first Working Day after that notice period set out in clause 60.2 or 60.8 or the date on which you stop living in the Unit and remove all your possessions, whichever is the later.
- (b) the day that you die, or, where two of you have jointly signed this Agreement, the surviving Resident dies (as the case may be).
- (c) in the event that you (or both of you, if you are joint Residents) transfer to another residential unit within the Village, and take up a replacement agreement, pursuant to clause 59.1, the day prior to the commencement date of that replacement agreement.
- (d) the date set out in the terms of any written agreement reached between you and us for the termination of this Agreement.
- (e) the date of the event of damage or destruction as provided in clause 50, if this Agreement is terminated in accordance with clause 50 following an event of damage or destruction affecting the Residential Unit or the Village and we do not offer to transfer you to another unit within the Village.

61 Departure from Residential Unit

- 61.1 You (and any guest living with you pursuant to clause 24.2) must leave the Residential Unit,
- (a) upon the expiry of the Notice of Termination;
 - (b) and in similar repair, order and condition as it was at the Commencement Date, except for any damage by fire, earthquake, tempest, enemy action or other inevitable accident, and except for Fair Wear and Tear.
- 61.2 In particular, you must remove all the Resident's Chattels, personal belongings, effects and vehicles from the Residential Unit and the Village on or before the Termination Date (except on termination under clause 60.9(b), in which case removal shall be within 1 week of the Date of Termination). You must make good any damage caused to the Residential Unit or Village in removing these items.
- 61.3 If you do not remove these items by the required date, then we may remove them and store them at your expense and cost. If you have not taken possession of these items within a further 1 month we may sell the items and, after deducting our expenses of removal, storage and sale, pay the proceeds to you.
- 61.4 We have the right, once your belongings have been removed from the Residential Unit, to enter the Residential Unit for the purposes of redecoration, refurbishment, and marketing of the Residential Unit.
- 61.5 We reserve the right to charge you a reasonable rent for the Residential Unit for each day after the expiry of the Notice of Termination, that the unit is not available to us for marketing because you have failed to remove your possessions from the Residential Unit.

62 Find New Resident

- 62.1 Subject to clause 62.5 below, after the Termination Date we will take all reasonable steps to enter into a new Occupation Right Agreement for the Residential Unit in a timely manner and for the best price reasonably obtainable. This will be with a new resident who we consider suitable as a resident of the Village, and with an Entry Payment and Village Contribution that is consistent with the proportions generally adopted by us at that time for marketing of Residential Units in the Village.
- 62.2 We will not give preference to finding residents for a Residential Unit in the Village which has not been previously occupied by a resident under an Occupation Right Agreement. We shall take proper steps to market the Residential Unit and respond to all enquiries about the Residential Unit in a timely and helpful way.
- 62.3 We will consult with you about the marketing of your Residential Unit including when the Residential Unit goes on the market and the general nature of our marketing plan for the Residential Unit. We are required to keep you informed on a monthly basis as to the progress of marketing.
- 62.4 You have the right to introduce a new resident for your Residential Unit, at any time. We are not obliged to accept any prospective resident who does not meet our normal entry criteria or whose offer does not meet fair the market value or conditions, as per clause 62.1 above.
- 62.5 We do not have to obtain a new resident if:
- (a) this Agreement terminates under clause 50 (Damage to Residential Unit or Village); or
 - (b) we decide we do not want a new resident occupying the Residential Unit, in which case we must pay your Exit Payment in accordance with clause 63.4 of this Agreement.

63 Our Exit Payment to you

- 63.1 On or before the Exit Payment Date, we will pay you the Exit Payment in accordance with the following provisions of clause 63.

Exit Payment Date

- 63.2 Subject only to clauses 60.5, 63.3 and 63.4, the Exit Payment Date is a day which is no later than 5 Working Days after the date on which the operator has received full settlement of the total amount payable by the new resident for the Residential Unit and provided the cooling-off period has expired in respect of the new Occupation Right Agreement the Operator has entered into with a new resident, for the Residential Unit.
- 63.3 However, if this Agreement terminates under clause 50 (destruction of or damage to Residential Unit/Village) and we need to obtain payment from our insurers in respect of an insured risk in order to be able to meet our obligations to pay you and any other resident in a similar situation, the Exit Payment Date is 10 Working Days after the date we receive full payment from our insurers for the loss or damage.
- 63.4 If we decide we do not want a new resident occupying the Residential Unit, the Exit Payment Date is the date one month after we advise you of our intention not to immediately relicense the Residential Unit.
- 63.5 If our payment of the Exit Payment must be made to your personal representative, then we will be entitled to be satisfied that your personal representative holds proper probate of your will, or letters of administration of your estate before making a payment. If there is any delay in meeting our requirements in this regard then we will lodge the money due to your estate on interest bearing deposit, with interest to accrue to the benefit of your estate until our requirements can be met.

Decrease in Residential Unit's value

- 63.6 If the amount we are able to obtain from a proposed new resident for the Residential Unit is less than the Entry Payment, then your Exit Payment will not be reduced as a result. If the Residential Unit does not sell within 6 months, the Residential Unit is valued by an independent registered valuer experienced in valuing retirement village units, appointed at our expense. We must market the Residential Unit at the price established by the valuation (which shall be in writing) unless you obtain a second valuation at your own cost. We will consider your valuation in determining a suitable price. If such revaluation results in a reduced Entry Payment being paid by a new resident, then your Exit Payment will not be reduced as a result.

Increase in Residential Unit's value

- 63.7 If the amount we are able to obtain from a proposed new resident for the Residential Unit is more than the Entry Payment, then your Exit Payment will not be increased as a result. If the Residential Unit does not sell within 6 months, the Residential Unit is valued by an independent registered valuer, experienced in valuing retirement village units, at our expense. We must market the Residential Unit at the price established by the valuation (which shall be in writing) unless you obtain a second valuation at your own expense. We will consider your valuation in determining a suitable price. If such valuation results in an increased Entry Payment being paid by a new resident, then your Exit Payment will not be increased as a result.

Non-sale Cases

- 63.8 If we decide under clause 62.5(b) we do not want a new resident occupying the Residential Unit we will enter into an agreement with you, to buy your interest in the Residential Unit. We will do this by paying the same Exit Payment that you would have received, had we sold the occupation right for your Residential Unit, to a new resident.
- 63.9 As a result, if we buy your interest in the Residential Unit, your Exit Payment will not be increased or reduced. We will pay you the same Exit Payment as you would have received had we sold the occupation right to your Residential Unit to a new resident.

63.10 We will pay your Exit Payment within 20 Working Days of the date of our agreement to purchase your interest.

64 Your Payments to us on termination

64.1 The amounts to be deducted from any payment made by us to you on termination, are as follows:

- (a) your Village Contribution calculated in accordance with clause 3.4 of this Agreement;
- (b) any other money due, or that will be due from you under this Agreement (e.g. your Entry Payment (clause 10), your Village Outgoings Payment (clause 12), your Additional Services Payment (clause 13), charges for utility services (clause 15), your health service charges (clause 16), legal costs (clause 17), Default Interest (clause 20), our costs of maintaining the interior of the Residential Unit (clause 48.5), money paid or costs incurred as a result of your default (clause 55)).

64.2 If this Agreement is terminated in accordance with clause 60.9(e) of this Agreement, then no charge for Village Contribution will be deducted from the payment made by us to you on termination.

65 Dispute pending on termination

65.1 If resolution of a dispute between you and us is pending or arises on the Termination Date, all payments due to be made by you to us or us to you (or a lesser amount if we agree) will be paid to the Statutory Supervisor, to be held in an interest bearing account until resolution of the dispute and then paid out in accordance with this Agreement unless ordered otherwise by the Disputes Panel.

66 Letting following termination

66.1 After you have vacated the Residential Unit, we may enter into a rental agreement for the Residential Unit with a third party as a temporary resident prior to entering into a new Occupation Right Agreement with a permanent resident. You shall not be liable to pay the Village Outgoings Payment from the date of commencement of that tenancy. We shall be entitled to the rent received.
