Report of the Statutory Supervisor in Respect of Summerset Villages (Hastings) Limited - Summerset in the Orchard ("Village")

Public Trust acts as Statutory Supervisor of the Village pursuant to the Retirement Villages Act 2003 ("**Act**") and in accordance with a deed of amendment and restatement relating to a deed of supervision originally dated 30 April 2007, dated 19 May 2017 ("**Deed of Supervision**") between us and, amongst others, Summerset Villages (Hastings) Limited ("**Operator**").

This report accompanies the Operator's annual return ("**Annual Return**") for the year ended 31 December 2024 and has been prepared by us in accordance with sections 13(3)(c) and 42(c) of the Act, for the period the subject of the Annual Return.

Pursuant to section 13(3)(c) of the Act, we certify that:

- The Operator has supplied to us a copy of the Village's audited financial statements for the year ended 31 December 2024 being statements that, in our opinion, comply with the Financial Reporting Act 2013.
- The information contained in the Annual Return is, to the best of our knowledge and belief, accurate.

Pursuant to section 42(c) of the Act, we report that:

- In the performance of our duties as Statutory Supervisor of the Village, we have:
 - provided a stakeholder facility for intending residents and residents of the Village who pay deposits or progress payments in respect of occupation right agreements or incomplete residential units or facilities at the Village (if any);
 - monitored the financial position of the Village;
 - reported to the residents of the Village on the performance of our duties and the exercise of our powers; and
 - performed any other duties imposed on us by the Act, the regulations made under the Act and Deed of Supervision.
- We have not found it necessary to exercise any of the powers conferred on us as Statutory Supervisor of the Village pursuant to section 43(1) of the Act.
- We have not issued any directions prohibiting the publication or distribution of any advertisement.

This certification and report has been provided on the basis that, subject to the duties imposed on us as Statutory Supervisor of the Village by the Act, the regulations made under the Act and the Deed of Supervision, in performing our duties we have relied on the information, explanations and confirmations supplied to us by the Operator and the auditor of the Village and we have not carried out independent checks of the same.

Yours faithfully,

Marisa Tucker
Head of Client Services (Wellington)
Public Trust – Corporate Trustee Services
Statutory Supervisor of Summerset Retirement Villages

Summerset Villages (Hastings) Limited

Financial Statements

FOR THE YEAR ENDED
31 DECEMBER 2024

Directors' Statement

The Directors are pleased to present to shareholders the financial statements of Summerset Villages (Hastings) Limited (the 'Company') for the year ended 31 December 2024.

The Directors are responsible for presenting financial statements in accordance with New Zealand law and generally accepted accounting practice, which give a true and fair view of the financial position of the Company as at 31 December 2024 and the results of the Company's operations and cash flows for the year ended 31 December 2024.

The Directors consider that the financial statements of the Company have been prepared using appropriate accounting policies, consistently applied and supported by reasonable and prudent judgements and estimates, and that all relevant financial reporting and accounting standards have been followed.

The Directors believe that proper accounting records have been kept which enable, with reasonable accuracy, the determination of the financial position of the Company and facilitate compliance of the financial statements with the Financial Reporting Act 2013.

The Directors consider that they have taken adequate steps to safeguard the assets of the Company, and to prevent and detect fraud and other irregularities. Internal control procedures are also considered to be sufficient to provide a reasonable assurance as to the integrity and reliability of the financial statements.

The Directors confirm that the shareholders have exercised their right under section 211(3) of the Companies Act 1993 and have unanimously agreed that this annual report need not comply with paragraphs (a) and (e) to (j) of section 211(1).

The financial statements were authorised for issue for and on behalf of the Board on 28 March 2025 by:

Notes to the Financial Statements

For the year ended 31 December 2024

1. General information

Reporting entity

Summerset Villages (Hastings) Limited (the 'Company') is a for-profit company incorporated and domiciled in New Zealand and is registered under the Companies Act 1993.

The financial statements presented for the year ended 31 December 2024 are those of Summerset Villages (Hastings) Limited. The Company operates a retirement village based in Hastings.

The parent company is Summerset Holdings Limited (the 'Parent') and the ultimate parent company is Summerset Group Holdings Limited. Summerset Group Holdings Limited and its subsidiaries are collectively referred to as the 'Group'.

Basis of preparation

These financial statements have been prepared in accordance with generally accepted accounting practice in New Zealand (NZ GAAP) and the Retirement Villages Act 2003. They comply with New Zealand equivalents to International Financial Reporting Standards Reduced Disclosure Regime (NZ IFRS RDR) as appropriate for profit-oriented entities in Tier 2. The Company qualifies as a Tier 2 entity as it is not publicly accountable.

These financial statements are expressed in New Zealand dollars, which is Summerset's functional currency. All financial information has been rounded to the nearest thousand, unless otherwise stated.

The measurement basis adopted in the preparation of these financial statements is historical cost with the exception of the items noted below.

- Investment property

Note 6

Accounting policies

Accounting policies that summarise the measurement basis used and are relevant to the understanding of the financial statements are provided throughout the accompanying notes.

The accounting policies adopted have been applied consistently throughout the periods presented in these financial statements.

In April 2024, the International Accounting Standards Board issued IFRS 18 Presentation and Disclosure in Financial Statements that is effective for the accounting period that begins on or after 1 January 2027. This standard has not been early adopted in preparing these financial statements.

There are no other new standards, amendments or interpretations that have been issued and are not yet effective, that are expected to have a significant impact on the Company.

During the period, the Company reviewed its cash flows from operating activities disclosure. The Statement of Cash Flows presentation has been amended to remove the separate disclosure of cash receipts from residents relating to expected deferred management fees. These are now included in the receipts from residents' loans categories.

Critical accounting estimates and judgements

In preparing the financial statements, management has made estimates and assumptions about the future that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results may differ from those estimates.

Estimates and assumptions are regularly evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The principal areas of judgement in preparing these financial statements are described in the following notes:

- Deferred management fees	Note 2
- Revenue in advance	Note 2
- Deferred taxation	Note 4
- Valuation of investment property	Note 6

Comparative information

The Statement of Cash Flows presentation has been amended to remove the separate disclosure of cash receipts from residents relating to deferred management fees. This amendment has been applied retrospectively and the impact on the comparative periods is shown below:

	2023 Reported \$000	Reclass \$000	2023 Reclassified \$000
Statement of Cash Flows			
Receipts from residents:			
- residents' loans - resales of occupation right agreements (net)	4,624	3,407	8,031
- deferred management fees	3,407	(3,407)	-

No other comparatives have been restated in the current year.

2. Revenue

Care fees and village services income are charged to residents on a monthly basis, as agreed, and are recognised over time. A portion of village services is considered lease income based on the nature of the services provided.

Deferred management fees, which entitle residents to accommodation and the use of the community facilities within the village, are recognised over the period of service, being the greater of the expected period of tenure or the contractual right to revenue. The expected periods of tenure, being based on historical averages, are estimated to be eight years for villas and five years for apartments. The estimated expected periods of tenure are unchanged from prior year. Where the deferred management fees over the contractual period exceeds the amortisation of the deferred management fee based on estimated tenure, the amount is recorded as a liability (revenue in advance). At balance date, the majority of the revenue in advance balance is non-current. Deferred management fees are recognised on a gross basis in the receipts from residents' loans section of the statement of cash flows.

Interest income is recognised in the income statement as it accrues, using the effective interest method.

3. Operating expenses

	2024 \$000	2023 \$000
Employee expenses	951	833
Property-related expenses	584	547
Repairs and maintenance expenses	232	220
Head office management fee	647	706
Other operating expenses	188	166
Total operating expenses	2,602	2,472

Notes to the Financial Statements (continued)

Audit fees incurred in 2024 and 2023 have been paid by Summerset Management Group Limited.

Operating expenses do not include costs and other services provided by Summerset Care Limited.

4. Income tax

Tax expense comprises current and deferred tax, calculated using the tax rate enacted or substantively enacted at balance date and any adjustment to tax payable in respect of prior years. Tax expense is recognised in the income statement, except when it relates to items recognised directly in the statement of comprehensive income, in which case the tax expense is recognised in the statement of comprehensive income.

Deferred tax expense is recognised in respect of temporary differences between the carrying amounts of assets and liabilities in the financial statements and the amounts used for taxation purposes. A deferred tax asset is recognised only to the extent it is probable it will be utilised. Temporary differences for the initial recognition of assets or liabilities that affect neither accounting nor taxable profit, unless they arise from business combination, are not provided for.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the Group intends to settle its current tax assets and liabilities on a net basis.

a) Income tax recognised in income statement

	2024 \$000	2023 \$000
Tax expense comprises:		
Deferred tax relating to the origination and reversal of temporary differences	26	(106)
Total tax expense/(credit) reported in income statement	26	(106)

The prima facie income tax expense on pre-tax accounting profit from operations reconciles to the income tax expense in the financial statements as follows:

	2024 \$000	%	2023 \$000	%
Profit before income tax	3,969		5,583	
Income tax using the corporate tax rate	1,111	28.0%	1,563	28.0%
Other non-deductible expenses	2	0.1%	-	0.0%
Non-assessable investment property revaluations	(1,127)	(28.4%)	(1,599)	(28.6%)
Other	40	1.0%	(70)	(1.3%)
Total income tax expense/(credit)	26	0.7%	(106)	(1.9%)

b) Deferred tax

Movement in the deferred tax balance comprises:

	BALANCE 1 JAN 2024 \$000	RECOGNISED IN INCOME \$000	RECOGNISED IN OCI* \$000	BALANCE 31 DEC 2024 \$000
Investment property	570	11	-	581
Revenue in advance	1,422	244	-	1,666
Income tax losses not yet utilised	(330)	(230)	-	(560)
Other items	(31)	1	-	(30)
Net deferred tax liability	1,631	26	-	1,657

	BALANCE 1 JAN 2023 \$000	RECOGNISED IN INCOME \$000	RECOGNISED IN OCI* \$000	BALANCE 31 DEC 2023 \$000
Investment property	548	22	-	570
Revenue in advance	1,257	165	-	1,422
Income tax losses not yet utilised	(39)	(291)	-	(330)
Other items	(29)	(2)	-	(31)
Net deferred tax liability	1,737	(106)	-	1,631

* Other comprehensive income

c) Imputation credit account

There were no imputation credits received or paid during the year and the balance at 31 December 2024 is nil (2023: nil).

5. Trade and other receivables

Trade and other receivables are stated at amortised cost less impairment losses.

	2024 \$000	2023 \$000
Accrued income	2	5
Sundry debtors	4	715
Total trade and other receivables	6	720

6. Investment property

Investment property is held to earn current and future rental income and capital appreciation. It comprises land and buildings, and associated equipment and furnishings, relating to retirement units and common facilities in the retirement village. Investment property includes buildings under development, excluding care centres under development which are included in property, plant and equipment. Initial recognition of investment property is at cost and it is subsequently measured at fair value, with any change in fair value recognised in the income statement.

The cost of retirement units includes directly attributable construction costs and other costs necessary to bring the retirement units to working condition for their intended use. These other costs include professional fees and consents, interest during the build period and head office costs directly related to the construction of the retirement units. Where costs are apportioned across more than one asset, the apportionment methodology is determined by considering the nature of the cost.

Land acquired with the intention of constructing investment property on it is classified as investment property from the date of acquisition.

Rental income from investment property, being deferred management fees, is accounted for as described in Note 2.

Depreciation is not charged on investment property.

	2024 \$000	2023 \$000
Balance at beginning of period	111,685	105,428
Additions	577	545
Fair value movement	4,026	5,712
Total investment property	116,288	111,685

Notes to the Financial Statements (continued)

	2024 \$000	2023 \$000
Retirement villages measured at fair value	116,288	111,685
Total investment property	116,288	111,685

	2024 \$000	2023 \$000
Manager's net interest	61,483	61,241
Plus: revenue received in advance relating to investment property	3,247	2,745
Plus: liability for residents' loans relating to investment property	51,558	47,699
Total investment property	116,288	111,685

The fair value of investment property as at 31 December 2024 was determined by Jones Lang LaSalle ("JLL"), an independent registered valuer. The fair value of the Company's investment property is determined on a semi-annual basis, based on market values, being the estimated amount for which a property could be exchanged on the date of the valuation between a willing buyer and a willing seller in an arm's length transaction after proper marketing wherein the parties had each acted knowledgeably, prudently and without compulsion. To assess the fair value of the Company's interest in the village, JLL has undertaken a discounted cash flow analysis to derive a present value. There has been no change in valuation technique since the previous period.

As required by NZ IAS 40 - *Investment Property*, the fair value as determined by the independent registered valuer is adjusted for assets and liabilities already recognised on the balance sheet which are also reflected in the discounted cash flow analysis.

The valuers' view is that central banks around the world have reduced interest rates, after holding rates at elevated levels to combat inflation. The main concerns now are slowing economic conditions in both China and the US as well as geopolitical instability in certain regions, particularly the prospect of a wider conflict in the Middle East and the ongoing war in Ukraine. With these factors in mind, the valuers reiterate that their conclusions are based on data and market sentiment as at the date of the valuation and that a degree of caution should be exercised when relying upon the valuation.

Significant assumptions used by the valuer are included in the table below:

	2024	2023
Discount rate	14.5%	14.5%
Growth rate	2.0% - 3.5%	1.0% - 3.5%
Average entry age of residents	74 years - 83 years	74 years - 83 years
Stabilised departing occupancy periods of units	5.5 years - 8.3 years	5.5 years - 8.3 years

There are no non-land retirement villages under development at 31 December 2024 (2023: nil).

Security

At 31 December 2024, all investment property relating to registered retirement villages under the Retirement Villages Act 2003 are subject to a registered first mortgage in favour of the Statutory Supervisor to secure the Company's obligations to the occupation right agreement holders.

7. Trade and other payables

Trade and other payables are carried at amortised cost. Due to their short-term nature they are not discounted.

	2024 \$000	2023 \$000
Accruals - other	230	151
Sundry payables	88	1
Total trade and other payables	318	152

8. Employee benefits

A provision is made for benefits accruing to employees in respect of wages, salaries, annual leave and short-term incentives when it is probable that settlement will be required and the amount can be estimated reliably.

	2024 \$000	2023 \$000
Leave liabilities	95	100
Other employee benefits	12	12
Total employee benefits	107	112

9. Intercompany balances

Intercompany balances are recorded at amortised cost, as they have an interest rate of 0% and are repayable on demand. Due to their short-term nature they are not discounted.

	2024 \$000	2023 \$000
Intercompany loan receivable from the Parent and the ultimate parent company Summerset Group Holdings Limited	9,250	9,250
Intercompany loan receivable from other parties of the Company	14,812	10,210
Intercompany loan receivable	24,062	19,460

Identity of related parties with whom transactions have occurred

Related parties are other entities in the Group.

Related party transactions

The Company does not have an operating bank account. All payments to third parties are therefore paid through Summerset Management Group Limited and all receipts from third parties are received through Summerset Care Limited. This results in an intercompany payable owing to Summerset Management Group Limited and an intercompany receivable owing from Summerset Care Limited.

Management and other services were provided by Summerset Management Group Limited for a charge and by Summerset Care Limited for no charge, refer to Note 3.

Related party borrowing and security

There is third party lending in the Group in the form of secured bank loans and unsubordinated fixed rate retail bonds. The secured bank loans are held by Summerset Holdings Limited, while the retail bonds are held by the ultimate parent company, Summerset Group Holdings Limited. Funding is passed onto subsidiary entities for development in the form of intercompany loans with the interest expensed and capitalised in the entity that the funding has been applied to.

The bank loans and retail bonds rank equally with the Group's other unsubordinated obligations and are secured by the following securities held by a security trustee:

- a first ranking registered mortgage over all land and permanent buildings owned (or leased under a registered lease) by each New Zealand-incorporated guaranteeing Group member that is not a registered retirement village under the Retirement Villages Act 2003;
- a second ranking registered mortgage over the land and permanent buildings owned (or leased under a registered lease) by each New Zealand-incorporated guaranteeing Group member that is a registered retirement village under the Retirement Villages Act 2003 (behind a first ranking registered mortgage in favour of the Statutory Supervisor);
- a first ranking registered mortgage over all land and permanent buildings owned (or leased under a registered lease) by each Australian-incorporated guaranteeing Group member;
- a General Security Deed, which secures all assets of the New Zealand- incorporated guaranteeing Group members, but in respect of which the Statutory Supervisor has first rights to the proceeds of security enforcement against all assets of the registered retirement villages to which the security trustee is entitled;

Notes to the Financial Statements (continued)

- a General Security Deed, which secures all assets of the Australian-incorporated guaranteeing Group members; and
- a Specific Security Deed in respect of each marketable security of Summerset Holdings (Australia) Pty Limited, held by Summerset Holdings Limited.

10. Residents' loans

Residents' loans are amounts payable under occupation right agreements. An occupation right agreement confers a right of occupancy to a villa or apartment. The consideration received on the grant of an occupation right agreement is allocated to the resident's loan in full. These loans are non-interest-bearing and are payable when both an occupation right agreement is terminated and there has been settlement of a new occupation right agreement for the same unit and the proceeds from the new settlement have been received by the Company. Residents' loans are initially recognised at fair value and subsequently measured at amortised cost.

The Company holds a contractual right to set-off the deferred management fee receivable on termination of an agreement against the resident's loan to be repaid. Residents' loans are therefore recognised net of the deferred management fee receivable on the balance sheet. Deferred management fees are payable by residents in consideration for the supply of accommodation and the right to share in the use of community facilities. Deferred management fees are paid in arrears, with the amount payable calculated as a percentage of the resident's loan amount as per the resident's occupation right agreement. Deferred management fee receivable is calculated and recorded based on the current tenure of the resident and the contractual right to deferred management fee earned at balance date. Refer to Note 2 for further detail on recognition of deferred management fee revenue.

	2024 \$000	2023 \$000
Balance at beginning of period	61,051	54,514
Net receipts for residents' loans - resales of occupation right agreements	4,819	6,537
Total gross residents' loans	65,870	61,051
Deferred management fees and other receivables	(14,312)	(13,352)
Total residents' loans	51,558	47,699

11. Financial instruments

Exposure to credit, market and liquidity risk arises in the normal course of the Company's business. The Board adopts policies for managing each of these risks as summarised below. The Company has no exposure to foreign currency or any other substantial market price risk.

Categories of financial instruments

All financial assets of the Company are classified at amortised cost. All financial liabilities are classified as liabilities at amortised cost.

Credit Risk

Credit risk is the risk of financial loss to the Company if a resident or counterparty to a financial instrument fails to meet their contractual obligations. The Company's exposure to credit risk relates to receivables from residents and bank balances. Exposure to credit risk is managed centrally by the ultimate parent company, Summerset Group Holdings Limited. Refer to the consolidated Group financial statements for further details of the Group's activities to manage exposure to credit risk.

Market Risk

Market risk is the risk that changes in market prices such as interest rates will affect the Company's income. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return on risk.

Interest Rate Risk

Exposure to interest rate risk is managed by seeking to obtain the most competitive rate of interest at all times. The ultimate parent company, Summerset Group Holdings Limited has entered into interest rate swap agreements in order to provide an effective cash flow hedge against the variability in floating interest rates. Refer to the consolidated Group financial statements for further details of the Group's management of interest rate risk.

Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. Summerset Group Holdings Limited manages liquidity by maintaining adequate reserves and undrawn banking facilities by continuously monitoring forecast and

actual cash flows and matching the maturity profiles of financial assets and liabilities. The Group manages liquidity risk on residents' loans and related sundry debtors through the contractual requirements of occupation right agreements, whereby a resident's loan is only repaid on receipt of the loan monies from the incoming resident.

Capital management

The capital structure is managed centrally by Summerset Group Holdings Limited. Refer to the consolidated Group financial statements for further details.

12. Share capital and reserves

All ordinary shares are fully paid. All shares carry one vote per share and carry the right to dividends.

	2024 \$000	2023 \$000
Share capital		
On issue at beginning of year	9,250	9,250
On issue at end of year	9,250	9,250
	2024	2023
Share capital (in thousands of shares)		
On issue at beginning of year	100	100
On issue at end of year	100	100

Dividends

There were no dividends declared or paid by the Company for the period ended 31 December 2024 (2023: nil).

13. Commitments and contingencies

Capital commitments

Independent auditor's report to the Shareholder of Summerset Villages (Hastings) Limited

Report on the audit of the financial statements

Opinion

We have audited the financial statements of Summerset Villages (Hastings) Limited ("the Company"), which comprise the statement of financial position of the Company as at 31 December 2024, and the income statement, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended of the Company, and the notes to the financial statements including a summary of material accounting policies.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as at 31 December 2024 and its financial performance and cash flows for the year then ended in accordance with New Zealand equivalents to International Financial Reporting Standards Reduced Disclosure Regime.

This report is made solely to the Company's shareholder. Our audit has been undertaken so that we might state to the Company's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's shareholder, for our audit work, for this report, or for the opinions we have formed.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (New Zealand). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report.

We are independent of the Company in accordance with Professional and Ethical Standard 1 *International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand)* issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interest in, the Company. Partners and employees of our firm may deal with the Company on normal terms within the ordinary course of trading activities of the business of the Company.

Information other than the financial statements and auditor's report

The Directors of the Company are responsible for the other information, which includes information other than the financial statements and auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

**Shape the future
with confidence**

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

If, based upon the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Directors' responsibilities for the financial statements

The Directors are responsible, on behalf of the company, for the preparation and fair presentation of the financial statements in accordance with New Zealand equivalents to International Financial Reporting Standards Reduced Disclosure Regime, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing on behalf of the entity the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (New Zealand) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at the External Reporting Board's website: <https://www.xrb.govt.nz/standards/assurance-standards/auditors-responsibilities/audit-report-8/>. This description forms part of our auditor's report.
